The abstract should contain a brief introduction with the objectives, clearly. Then, in a succinct way, the materials and methods should be described. Results should be then presented with a brief discussion, and the abstract should finish with a conclusion. The body of the abstract should not exceed 300 words, as the system will not accept, regardless of title, keywords and acknowledgements. It is not necessary to include the terms "INTRODUCTION:", "OBJECTIVES:", "METHODOLOGY:", "RESULTS:", "DISCUSSION:", "CONCLUSION:"

Keywords: xxxx; yyyy; zzzz (5 words).
